Thank you Trish & Peter...

Glad to hear that your meeting was productive. Somehow I thought we had decided to reschedule until Captain Solano returned. My mistake. Our concern is for additional patrol resources for the Melrose area between 11 PM and 5 AM. Frankly, we were not seeing much and have observed real needs. Perhaps our BID Security Ambassador should schedule some additional late night BID observations.

At the same time, we want to extend our appreciation for the assistance we have received from SLO Wecker. Because of her coordination and support with Pastor Weller's homeless outreach, we are of the opinion that this problem has been reasonably better managed. She has also supported our BID Security Ambassador's efforts to impact quality of life issues on Melrose on a day-to-day basis, which, we believe, supports the LAPD mission without significant negative impact on your scarce resources. Thank you.

As always, we appreciate your work and willingness to collaborate to achieve a safer community.

Hello Don,

Just a quick e-mail to say Hello and follow up from last Thursday's meeting at 4 PM at the Village Idiot on Melrose. Peter and I missed you at the meeting, so I hope all is going well for you.

Peter and I discussed the graffiti on Melrose, especially Johnny Rockets, but are happy to see the graffiti has been painted over.

We additionally discussed patrol resources, deployment of these resources, and the crime in and around Melrose Ave. I believe it was a good meeting and welcome another one in the new future.

Thank you,

Trish
